Speakers

Dr. Mohammed Al-Houqani
Secretary General
National Institute for Health Specialties

Dr. Mohammed Al Houqani is the Secretary General of the National Institute for Health Specialties, which is the accrediting and certifying body for postgraduate clinical training programs in the UAE. Dr. Al Houqani is an Associate Professor at United Arab Emirates University, Consultant of Internal Medicine, Respiriology and Sleep Medicine. He served as the Assistant Dean for Medical Education for 5 years. Dr. Al Houqani is a Fellow of Royal College of Physicians and Surgeons of Canada, Internal Medicine & Respiriology. He published 26 papers on tobacco and sleep disorders, and he was a keynote speaker in various international and regional conferences, workshops, and webinars.

Dr. James Arrighi
President and Chief Executive Officer
ACGME International

Dr. James Arrighi is the President and Chief Executive Officer of ACGME-International. He completed his Bachelor of Science and Medical Doctor degrees at Brown University in Rhode Island, USA. He then completed training in internal medicine, cardiology, and nuclear medicine at Washington University in St. Louis, the National Institutes of Health, and Yale University School of Medicine. Before joining ACGME, Dr. Arrighi served as a program director for the cardiology fellowship, and as director of graduate medical education, at Brown University and Rhode Island Hospital. He is a Professor of Medicine, Diagnostic Imaging, and Medical Science at Brown, and received several faculty awards for teaching. For over two decades, he has mentored residents and fellows; he has published over 70 peer-reviewed publications and has delivered over 130 national or international invited lectures. He joined the ACGME-International in September 2021.

William Hart
Associate Executive Director
ACGME International

William Hart is the ACGME-I Associate Executive Director. He joined ACGME in 1998 as the Administrative Secretary for the Review Committees for Dermatology, Medical Genetics, Orthopaedic Surgery, and Pathology. Before joining the ACGME, Mr. Hart was the shipping and receiving manager for Illinois Harley-Davidson in Berwyn, IL. Mr. Hart earned a diploma from Fenwick High School, where he served as immediate back-up to the soccer team's goalkeeper and routinely played non-speaking roles in the drama club's theater productions. He has also completed several leadership courses at Apple Podcast University.

Lori Lewis
Executive Director
ACGME-International

Lorraine C. Lewis, EdD, is Accreditation Council for Graduate Medical Education-International (ACGME-I) Executive Director. She joined ACGME in 2011 as the Executive Director for the Review Committees for Anesthesiology, Preventive Medicine, and the Transitional Year. Before joining the ACGME, Dr. Lewis was manager of predoctoral dental education and international accreditation for the Commission on Dental Accreditation. Dr. Lewis earned an EdD in Higher Education Policy and Administration from the University of Minnesota, where she conducted research on faculty attitudes and practices related to program evaluation. She also has an MS in Allied Health and a BS in Medical Dietetics, both from the Ohio State University.

Dr. Laura Edgar
Vice President
Milestones Development

Dr. Edgar is the Vice President for Milestone Development. In her current role, she serves as an organizational and department leader. She leads volunteers and staff members through the development of Milestones and related materials for all ACGME accredited specialties. Dr. Edgar creates and manages the Milestones resources that aid program directors, learners, and Clinical Competency Committees. She serves as a liaison to the medical education community and is a frequent speaker on topics related to the Milestones, Clinical Competency Committees, assessment, education, and accreditation. She previously served as the Executive Director for Milestones Development and the Review Committees for Medical Genetics and Genomics, Pathology, and Radiation Oncology.

Prior to working at ACGME, Dr. Edgar worked in the clinical laboratory for 10 years and then directed several domestic and international certification, accreditation, and scientific organizations. Dr. Edgar earned her doctorate in education, focusing on organizational leadership after obtaining a Bachelor's degree in medical laboratory sciences and a Master's degree in business administration. She is a certified medical technologist and a certified association executive.
