Dean's Welcome Message

It is with great appreciation that we extend our sincere thanks to all sponsors supporting the 10th International Scientific Conference for Medical Students in the GCC Countries, a landmark event hosted by the United Arab Emirates University as we proudly celebrate our institution's 50th anniversary. Your partnership plays a pivotal role in advancing the mission of this conference, held under the theme "Inspiring the Future Generation of Medicine Through Innovation and Collaboration." By supporting this important initiative, you are investing directly in the development of future healthcare leaders, fostering research excellence, and empowering students to explore innovative and interdisciplinary solutions to the challenges facing medicine today.

This conference brings together exceptional medical students, faculty, healthcare professionals, and researchers from across the region. Your sponsorship enables us to provide them with a world-class platform for scientific exchange, professional growth, and meaningful collaboration. As we unite under the slogan "Bridging Borders, Building Futures," your contribution demonstrates a commitment not only to education and innovation but also to the advancement of healthcare across the Gulf region. Together, we are building bridges between institutions, strengthening partnerships, and shaping a stronger, healthier future for our communities.

On behalf of UAEU and the College of Medicine and Health Sciences, I would like to express my deepest gratitude for your generosity and support. Your investment in this event amplifies its impact and reinforces our shared vision for excellence in medical education and research. Thank you for being an essential part of this journey. We look forward to continued collaboration and future opportunities to work together in service of the region's next generation of medical professionals.

Professor Fatma Al Jasmi

Dean, College of Medicine and Health Sciences,
Chair, Department of Genetic & Genomics,
United Arab Emirates University

Conference Chair's Message

On behalf of the organizing committee, I would like to express our sincere appreciation to all sponsors supporting the 10th International Scientific Conference for Medical Students in the GCC Countries, hosted by United Arab Emirates University (UAEU) in Al Ain.

Your partnership is essential to the success and impact of this conference. By sponsoring this initiative, you are directly investing in the development of future healthcare leaders, enabling a world-class platform for medical students to present research, exchange ideas, and engage with faculty and experts from across the region.

Held under the theme "Inspiring the Future Generation of Medicine Through Innovation and Collaboration," the conference reflects our shared commitment to advancing medical education and research. Under the slogan "Bridging Borders, Building Futures," your support strengthens collaboration across institutions and helps drive innovation that benefits our communities and healthcare systems.

Thank you for your generosity and trust. We value your contribution and look forward to building lasting partnerships that extend beyond the conference and continue to support excellence in healthcare across the GCC.

Dr. Adnan Al Ali

Assistant Professor, Department of Pediatrics, College of
Medicine and Health Sciences, United Arab Emirates
University

President's Message

It is my great pleasure to invite you to partner with us for the 10th International Scientific Conference for Medical Students in the GCC Countries, hosted by the College of Medicine and Health Sciences at the United Arab Emirates University.

This conference stands as one of the Gulf region's most distinguished student-led scientific gatherings, bringing together hundreds of medical students, researchers, and healthcare leaders from across the GCC and beyond. More than an academic event, it is a platform for inspiration where ideas are shared, collaborations are formed, and the next generation of physicians begins shaping the future of medicine.

Your sponsorship is more than financial support; it is an investment in the development of young medical innovators and in the advancement of healthcare education in our region. By partnering with us, your organization will gain visibility among medical students, academic leaders, and healthcare professionals, while demonstrating a shared commitment to research, education, and community growth.

We warmly welcome your partnership in making this milestone edition a success and in leaving a lasting impact on medical education and innovation across the GCC and beyond.

Hind Al Ali

5th Year Medical Student, College of Medicine and Health Sciences, United Arab Emirates University

About the Conference

Where the Gulf's Brightest Minds Come Together

The GCC Medical Students Conference is a distinguished, student-led scientific forum that unites aspiring medical professionals from across the Gulf Cooperation Council (GCC) region. With a strong commitment to academic excellence, innovation, and cross-cultural collaboration, the conference serves as a premier platform for medical students to exchange research, insights, and experiences that contribute to shaping the future of healthcare in the region. Revived after more than a decade, the 10th GCC Medical Students Conference, proudly hosted by United Arab Emirates University (UAEU) in celebration of its 50th anniversary, marks a historic milestone. This landmark edition reflects the region's enduring commitment to empowering the next generation of medical innovators through research exchange, collaborative dialogue, and high-impact mentorship. First established in the early 2000s, the GCC Medical Students Conference was founded with a vision to create a unified academic platform for medical students across the Gulf. Over the years, it has grown into a key regional scientific event one that nurtures research excellence, professional development, and intercultural understanding. Today, the conference continues its legacy by promoting educational collaboration, advancing scientific research, and strengthening partnerships across the GCC, with participating countries including the UAE, Saudi Arabia, Kuwait, Qatar, Bahrain, and Oman, alongside expanding global engagement.

About CMHS & UAEU

The Nation's Flagship of Innovation and Excellence

The United Arab Emirates University (UAEU), founded in 1976 by the late Sheikh Zayed Bin Sultan Al Nahyan, stands as the UAE's first and foremost national university and a leading hub for research, innovation, and academic excellence. Home to more than 20,000 Emirati and international students, UAEU offers a full spectrum of accredited programs across nine Colleges, supported by world-class faculty, cutting-edge facilities, and comprehensive student services. Guided by Sheikh Zayed's vision of empowering future generations through education, the University has grown into a globally recognized institution, currently ranked #5 in the Arab world and #229 worldwide, advancing solutions to regional and global challenges through its research centers and industry partnerships. The College of Medicine and Health Sciences, established in 1986, continues this legacy as one of the top medical schools in the Middle East, shaping the future of healthcare and scientific discovery in the region.

Why Partner With Us

Empowering the Future of Medicine Across the GCC

The GCC Medical Conference serves as a premier platform uniting healthcare professionals, medical students, researchers, and industry leaders from across the Gulf region. By partnering with us, your organization plays a vital role in advancing medical education, innovation, and community well-being, while gaining high-level exposure to a distinguished audience of future healthcare leaders.

Your sponsorship directly supports scientific dialogue, research exchange, and skill development among the next generation of clinicians and innovators. Together, we can create meaningful progress in healthcare delivery and education throughout the region.

Sponsorship Categories

Our sponsorship packages are thoughtfully structured to provide meaningful visibility, strategic engagement opportunities, and high-impact recognition, enabling partners to select the tier that best aligns with their goals while supporting a conference dedicated to shaping the future of healthcare in the GCC.

Sponsorship Packages

1) Strategic Partner (Contribution: 200,000 AED and above)

Marketing & Media Visibility

- Elite logo placement on the conference website homepage, ensuring your organization is seen prominently by attendees, partners, and visitors throughout the pre-conference and conference period
- Extended sponsor profile (500 words) featured on the conference website, providing space to introduce your organization's mission, services, and key initiatives in greater detail
- Priority digital visibility beginning early in the conference build-up, positioning your brand ahead of other sponsorship tiers across conference-managed online channels and marketing collaterals
- Large-sized logo placement across major conference areas and high-visibility touchpoints, reinforcing brand recognition along key attendee pathways and gathering zones

On-Site & Event Presence

- Premier exhibition booth in the main exhibition area, along with an additional booth in the educational workshop section, expanding your organization's reach to audiences moving between sessions, workshops and networking areas.
- 10 company representative passes, enabling a strong team presence and extensive on-site engagement with participants, faculty, and institutional representatives across conference activities
- Special acknowledgement during the awards program as the conference's flagship partner, providing prominent recognition in a formal setting attended by delegates, speakers, and guests

Sponsorship Packages

2) Lead Sponsor (Contribution: 150,000 AED and above)

Marketing & Media Visibility

- ❖ Premium logo placement on the conference website homepage, establishing strong and visible association with the event during the promotional period
- ❖ Sponsor profile (300 words) featured on the conference website, offering a focused introduction to your organization
- ❖ High-level digital visibility beginning one month before the conference, positioning your brand within the main promotion phase across conference online channels and marketing collaterals
- ❖ Prominent logo placement across priority conference areas and high-visibility locations, maintaining recognition throughout key attendee activity zones

On-Site & Event Presence

- ❖ Premier exhibition booth in the main exhibition area, enabling direct interaction and visibility in a central space
- ❖ 7 company representative passes, allowing a well-supported on-site presence for engagement and networking
- ❖ Formal recognition as a major sponsor during the awards program, acknowledging your contribution in an official setting

Sponsorship Packages

3) Associate Sponsor (Contribution: 100,000 AED and above)

Marketing & Media Visibility

- ❖ Logo placement on the conference website sponsor page under the Associate Sponsors section, establishing your organization's presence among official event partners
- ❖ Short sponsor profile (100 words) featured on the conference website, offering a concise introduction to your organization
- ❖ Standard digital visibility during the conference period, ensuring your brand is included in event-related coverage across conference online channels
- ❖ Standard-sized logo placement within core conference areas and shared attendee pathways, supporting recognizable on-site visibility throughout shared attendee pathways

On-Site & Event Presence

- ❖ Standard exhibition booth in the main exhibition area, enabling direct engagement with attendees, students, and participating institutions
- ❖ 4 company representative passes, supporting a focused on-site presence
- ❖ Acknowledgement as an official sponsor during the awards program, recognizing your support within the formal proceedings

4) Participating Sponsor (Contribution: 25,000 – 50,000 AED)

Marketing & Media Visibility

- ❖ Logo placement on the conference website under the Participating Sponsors section, establishing your organization's presence among official event partners
- ❖ Logo-only digital visibility through a dedicated announcement post, confirming your organization's participation in the conference
- ❖ Small-format logo placement within key shared areas, including the main hall, offering focused brand presence in a central space during conference activities

On-Site & Event Presence

- ❖ 2 company representative passes, supporting a limited on-site presence for engagement and attendance
- ❖ Acknowledgement as a participating sponsor during the awards program, recognizing your support within the formal proceedings

Media & Exposure Benefits

Our sponsorship packages are designed to provide the same level of exposure offered by leading global medical conferences, ensuring your brand receives multi-channel exposure before, during, and after the event.

Sponsors benefit from:

- ❖ Prominent logo placement on event materials, digital platforms, and onsite branding.
- ❖ Visibility through booths, sponsored workshops, and award sessions tailored to your tier.
- ❖ Inclusion in pre-event press releases and post-event highlights shared across GCC institutions.

This multi-platform engagement strengthens your brand's presence within the medical and academic communities of the region.

Our Audience

The Medical Conference attracts:

- ❖ Academic leaders from leading Gulf & International universities.
- ❖ Clinicians and researchers from government and private hospitals.
- ❖ Policy-makers and healthcare innovators shaping the region's future.

As a partner, you'll connect directly with these key audiences, fostering collaborations, building professional relationships, and identifying shared opportunities for growth. Our structured networking sessions, gala dinner, and focused panel discussions ensure meaningful, long-term connections.

Supporting the GCC Conference is an investment in the future of medicine. Sponsors enable:

- ❖ Student-led initiatives that inspire innovation and research.
- ❖ Community outreach projects that translate medical education into public benefit.
- ❖ Cross-disciplinary learning, uniting students, clinicians, and the private sector for real-world impact.

Your partnership goes beyond visibility, it fuels discovery, mentorship, and transformative learning.
