

AUA-UAEU WORKSHOP ON GRAPH THEORY, COMBINATORICS AND APPLICATIONS (GTCA 2022)

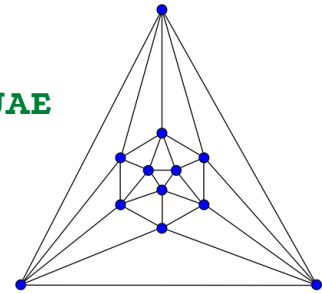

Department of Mathematical Sciences, UAEU, Al Ain, UAE

In Collaboration with

University of Indonesia, Jakarta, Indonesia

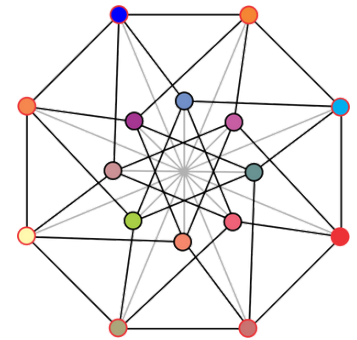

13-15 NOVEMBER 2022

<https://conferences.uaeu.ac.ae/gtca2022/en/index.shtml>

About the Workshop

GTCA 2022 focuses on all aspects of graph theory, combinatorics and their applications. It is dedicated to create a platform for exchanging the latest research results and ideas; sharing the advanced research methods and latest trends in these areas and to develop further collaborations.

Keynote Speakers

- Prof. Volkmar Welker (Philipps-Universität Marburg, Germany)
- Prof. Kiki A. Sugeng (University of Indonesia, Indonesia) AUA
- Prof. Sebastian Cioaba (University of Delaware, USA)
- Prof. Martin Baca (Technical University in Kosice, Slovakia)
- Prof. Ismael G. Yero (University De Cadiz, Spain)
- Prof. Kinkar Chandra Das (Sungkyunkwan University, South Korea)
- Prof. Edy Tri Baskoro (ITB, Indonesia)

Registration & Deadlines

- **No registration fee.**
- However, all participants need to register via **workshop website.**
- **Deadline for Registration & Submission of Abstract: October 10, 2022.**
- Submit abstract (**both LATEX and PDF**) to gtca2022uaeu@gmail.com

Organizing Committee

- Dr. Muhammad Imran (UAE University)
- Dr. Nafaa Chbili (UAE University)
- Dr. Jianhua Gong (UAE University)
- Dr. Adama Diene (UAE University)
- Dr. Chafik Bouhaddiou (UAE University)
- Dr. Kiki A Sugeng (University of Indonesia) AUA
- Dr. Denny R. Silaban (University of Indonesia) AUA
- Dr. Zahid Raza (University of Sharjah, UAE)
- Fareeha Jamal (UAE University)
