# International Conference on Climate Action and Sustainability (ICCCAS)

 **7-10 October 2025**  **United Arab Emirates University, Al Ain**

ICCCAS-2025 is a four-day hybrid event featuring keynotes, plenaries, technical sessions, panels, and posters. It will spotlight innovations in climate action, low-carbon strategies, and sustainability, promoting global collaboration between academia and industry

## Key Tracks

- Clean Energy, Batteries & Fuel Cells
- CO<sub>2</sub> Capture, Climate Action & Utilization
- Additive Manufacturing & Composites
- Catalysts, Electrocatalysts & Photocatalysts
- Aerospace, Robotics & Artificial Intelligence
- Energy-Water-Food Nexus for Climate Resilience
- Sustainable & Green Building Innovations
- Education, Policies & Circular Economy

## Conference Highlights

- Hybrid event: in-person & online
- Keynotes & plenaries by global experts
- SCOPUS-indexed proceedings & journal options
- Best Paper & Presenter Awards
- Workshops, panels, posters & exhibitions

## Plenary Speakers

■ Plenary Talk, Day 1  
🎤 **Prof. Yury Gogotsi**  
■ Drexel University, USA

■ Plenary Talk, Day 1  
🎤 **Prof. Seeram Ramakrishna**  
■ National University of Singapore

■ Plenary Talk, Day 3  
🎤 **Prof. Ibrahim Dincer**  
■ Ontario Tech University, Canada

## Special Issue Publications

- **Energy & Fuels** (ACS Publications, Impact Factor: 5.3)
- **International Journal of Hydrogen Energy** (Elsevier, Impact Factor: 8.3)
- **Journal of Energy Storage** (Wiley, Impact Factor: 9.8)

**MaterialsResearchForum LLC**  
Publisher in Materials Science and Engineering  
**SCOPUS INDEXED PROCEEDING**

**ABSTRACT  
SUBMISSION  
OPEN NOW**

### Important Dates

- **15 Sep 2025**  
Abstract Submission Deadline
- **30 Aug 2025**  
Early-bird Registration Ends
- **25 Sep 2025**  
Registration Closes

## Registration

Registration Category	Early registration (Before 30 August 2025)	Standard registration (Until 25 Sep 2025)
Students	USD 100	USD 150
Academic participants	USD 300	USD 400
Accompanying person	USD 100	USD 200
