ICEG 2019 SPONSORSHIP & EXHIBITION BROCHURE

Expand your reach to the Middle East, exhibit or sponsor the Fifth International Conference on Engineering Geophysics (ICEG) and gain insight from over 350 attendees from 34 countries in this highly innovative conference.

ICEG invites companies to exhibit and sponsor that support the following fields:

- Engineering Geophysical Methods
- Near Surface Geophysics to Improve Exploration Geophysics (e.g. Characterizing Dunes)
- Time-Lapse Monitoring
- Unmanned Geophysical Survey (Robotic/UAV)
- Advanced Geophysical Tomographic Methods
- Anomaly Delineation and Classification
- Method Integration / Joint Inversion
- Geohazards (Natural & Man-made)
- Groundwater/Hydrogeophysics (frack water, contamination, injection induced seismicity)
- Archaeology / Archaeogeophysics
- Geothermal and Underground Storage: Geophysical Exploration and Monitoring
- Soil Characterization & Pavement Geoengineering
- Geotechnical: Geophysical Determination of Properties and Parameters
- Environmental Radioactivity and Remediation Methods
- Machine learning / AI in near surface characterization, information value
