ICEG2026 Submission Instructions

This conference has its own instructions for authors. Press the button below to read these instructions.

 Read instructions

Please read submission
instructions

Author Information

For each author please fill out the form below. Some items on the form are explained here:

- **Email address** will only be used for communication with the authors. It will not appear in public Web pages of this conference. The email address can be omitted for not corresponding authors. These authors will also have no access to the submission page.
- **Web page** can be used on the conference Web pages, for example, for making the program. It should be a Web page of the author, not the Web page of her or his organization.
- Each author marked as a **corresponding author** will receive email messages from the system about this submission. There must be at least one corresponding author.
- One of the authors should be marked as a **presenter**. If you are not sure, choose your best guess.

**Please fill authors
details**

Author 1 ([click here to add yourself](#)) ([click here to add an associate](#))

First name[†]: *

Last name: *

**You can add more
authors**

[†] Note: leave first name blank if there is no first name. If you are not sure how to divide a name into the first and last name, [read the Help article about names.](#)

Title

The title should be entered as plain text, it should not contain HTML elements.

**Insert your abstract
title**

Title: *

Keywords

Type a list of keywords (also known as key phrases or key terms), **one per line** to characterize your submission. You should specify at least three keywords.

Keywords: *

Insert your Keywords

Topics

Please select topics relevant to your submission from the following list. Topics are typically used for assigning submission reviewers and for conference analytics. **You must select exactly 3 topics.**

Select 3 topics that fit the abstract

Geophysical Development and Methods

- ☐ Geophysical Methodology Development
- ☐ Geophysical Inversion and Modelling
- ☐ Geophysical Software and Technology Advancements

Geophysical Data Monitoring

- ☐ Natural and Man-Induced Hazards Assessment
- ☐ Infrastructure Assessment and Monitoring

Artificial Intelligence in Engineering Geophysics

- ☐ AI-Driven Geophysical Inversion and Modelling
- ☐ Robotic and Airborne Geophysics
- ☐ The Role of AI and Machine Learning in the prediction of multi-Hazards

Preparing for 10 Billion Population and Climate Change

- ☐ Resource Exploration and Management
- ☐ Net-Zero and Sustainable Development
- ☐ Urban Geophysics: A Key to Sustainable and Resilient Megacities
- ☐ Earthquake Engineering, Seismology, and Triggered Hazards: Advances, Applications, and Innovations

☐ Multi-Geophysical Data Integration

☐ Geophysical Standards

☐ Environmental Characterization and Monitoring

☐ Machine Learning and Geophysical Data Analysis

☐ Integrating AI with Geophysics for Enhanced Weather Forecast

☐ Disaster Resilience Enhancement

☐ Geophysics for a Sustainable Future

☐ Archaeo-Geophysics in Archaeological and Cultural Heritage

☐ Geo-Tourism

Other Information and Files

Abstract Presentation Type. * Please select the way you prefer to present your work (The organizing committee may change your selection).

☐ Oral presentation

☐ Poster presentation

Select one

Paper. * Upload your paper. The paper must be in Word format (file extension .docx)

Choose File No file chosen

Upload your abstract

Ready?

If you filled out the form, press the 'Submit' button below. **Do not press the button twice: uploading may take time!**

Submit

Submit

**ou will receive an email with your submission ID. Thank you for your submission to ICEG2026. We look forward to welcoming you to Al Ain, UAE.
