

**IEEE 14<sup>th</sup> International Conference on Innovations in Information Technology  
Nov 16 – 17, 2020. UAE**

**Call For Student Posters**

The IIT'20 Student Participation Committee invites all undergraduate and graduate students to submit an extended (2 pages max.) abstract to display a poster at the IIT'20 conference. The presentation should embrace the conference theme, "Innovations in Information Technology".

**PURPOSE**

The main purpose of this Student Poster session is to recognize students and give them the opportunity to practice their visual, written, and oral communication skills in a professional conference environment, share their research/project work with students and faculty from other institutions, improve the visibility of student efforts and recognize excellence in student projects.

SUBMISSION: Extended abstracts should be directed to Sofia Ouhbi at [sofia.ouhbi@uaeu.ac.ae](mailto:sofia.ouhbi@uaeu.ac.ae). All students are encouraged to review their abstracts with their faculty advisors prior to submission. All accepted abstracts will be published in the conference proceedings.

**IMPORTANT DATES**

Student Poster Submission September 1, 2020

Notification of Student Poster acceptance October 1, 2020

Final Student Poster material October 15, 2020

Conference November 16-17, 2020

**BEST STUDENT POSTER AWARDS**

There will be a competition for best student poster award at the conference. This award will be given to recognize student excellence in research and presentation. All accepted posters will be eligible for nomination for this award providing they meet the requirements and guidelines for student poster session as described on the website. The presentations should consist of well-prepared materials about the work, posted on a designated board.

It is required that an author should be registered for the conference and in attendance to present details and answer questions during the designated poster session time. Since the award will be made at the session, it is recommended that the authors be present for the majority of the session. A Poster Award Committee will review all of the extended abstracts and the posters. Selections will mainly be based on the level of the innovation, research, final output, quality of the poster, and clarity of the presentation.
