

# 12<sup>th</sup> IT Marathon

National Information Technology Competition  
for School Students (Nov. 16 2023@UAEU)

## AI FOR SUSTAINABLE FUTURE

### Call for Young Innovators

Organized by the College of Information Technology (CIT),  
United Arab Emirates University (UAEU), ALAin  
Thursday, Nov. 16, 2023

Calling all students from across the UAE! Get ready to put your problem-solving skills to the test and compete against other schools in an upcoming challenge. Not only will you have the chance to win valuable prizes, but you'll also expand your knowledge about IT careers.

Teams can participate in any of the following:

- ❖ **IT Showcase:** An opportunity to exhibit your innovative projects on the theme of "AI for Sustainable Future" - *School students (Grades 6-12).*
- ❖ **IT Programming Contest:** An opportunity to show your programming skills - *School students (Grades 6-12).*
- ❖ **IT4Special Needs (All Grades):** An opportunity to present your project (software or Hardware) - *(All Grades).*

**Attention teachers!** This is your chance to engage your students in a fun and exciting way while teaching them about IT careers. Don't miss out on this opportunity to motivate and inspire your students to reach their full potential.

# 12<sup>th</sup> IT Marathon

National Information Technology Competition  
for School Students (Nov. 16 2023@UAEU)

## AI FOR SUSTAINABLE FUTURE

### GOALS:

The IT Marathon is a national annual competition for school students from throughout the UAE. It is organized by the College of Information Technology in the UAE University.

The IT Marathon aims to excite students about information technology through a fun and challenging competition.

This event also provides an opportunity for school students to showcase their skills. Most importantly, the IT Marathon aims at spreading the awareness about the strategic importance of IT in the UAE.

The IT Marathon contributes to building the next generation of IT thinkers in the UAE by encouraging and supporting young IT talents.

### CATEGORIES:

The IT Marathon consists of four categories: IT Contest, IT Showcase, and IT4Special Needs. The three competitions are team-based where each team consists of a maximum three students and a supervisor.
