

Call for Papers

The Tenth Language and Literacy Forum

Connecting Globally Literate Minds of the Future: Challenges, Opportunities and Aspirations for Language Teaching in the UAE Centennial 2071

**Monday, September 20th 2021
Tuesday, September 21th 2021**

Online

UAE University, College of Education, Al-Ain, United Arab Emirates

New trends in language and literacy necessitate facing new challenges, embracing new opportunities and envisioning ambitious future. A new horizon for language and literacy teaching and learning call for provocative, relevant and innovative pedagogical practices and learning techniques commensurate with advance of new technologies and a literate future.

The College of Education at the UAE University invites prominent national keynote speakers from different educational disciplines to speak at the forum. Interested participants can use the following subthemes to guide them through submission process: Policymakers, researchers, school leaders, researchers, educators, Teachers, students, and others are welcomed to attend the forum.

1. Language, Literacy and Culture
2. Bilingualism, Biliteracy and Multiliteracies
3. EFL/ESL Teaching, Learning and Acquisition
4. Diverse students and People of Determination's L2 Teaching and Learning
5. Literacy and Language Assessment and Program Development
6. Diverse Children Literature
7. Language Arts in the Curriculum
8. Innovative Ways for Using Technology in Teaching and Learning

The purpose of this forum is to bring together languages (Arabic and English) and literacy practitioners from around the globe to share their creative and innovative ideas, practices and experiences that are currently proven to be instrumental in teaching and learning. This forum will serve as a platform for the participants to engage in conducive discussion and share their latest practices in the field.

Conference Languages: English & Arabic
