# UAEU Student Undergraduate Research Conference

Conference Date: 19<sup>th</sup> April, 2016

Location: CIT Auditorium

[St\\_conf@uaeu.ac.ae](mailto:St_conf@uaeu.ac.ae)

<https://conferences.uaeu.ac.ae/SURC>

## Mission

The purpose of the Annual UAEU students' Conference is to promote undergraduate research and creative activities conducted by undergraduate students In the United Arab Emirates through their universities and colleges, it is also an opportunity for students to show case their research capabilities and endeavors. Students' participation is welcomed in all fields and disciplines.

## Goals

1. Fostering undergraduate research among United Arab Emirates Universities students;
2. Having the experience of presenting at a research conference in a friendlier environment;
3. Gaining a new appreciation for open research questions in other universities perhaps leading to richer inter-Colleges/interdisciplinary research in the future;
4. Giving students a deeper understanding of the topics in their major through explaining them to conference attendees;
5. Highlighting the research that the top scholars and their advisors are doing in each UAE University.

## Rules

The 2016 conference is open to all Undergraduate Students in the United Arab Emirates Universities. The best projects will be rewarded by UAE University.

1. Only presently registered and active undergraduate students (selected by their university/college) are eligible to present in the 2016 conference day.
2. Each University is eligible to submit up to three projects including Oral presentations or Posters.
3. All contributions either Oral or Posters will be presented in the conference day:
  - a. Oral Presentations: 15 minutes
  - b. Posters show case, students should submit their abstracts prior to the final presentation (100cm high x 140cm width).
4. Each university/college is required to appoint one faculty member by 22<sup>th</sup> of March 2016 to communicate with the UAEU conference organizing committee.
5. Each university/college is responsible to select and submit the best three projects before 13<sup>th</sup> April 2016.
6. All participants will receive a certificate.

## Attendees

The 2016 conference is open to all UAE undergraduate students and teachers, as well as officially invited people. Visitors and guests will receive an official letter on due time.

## Abstracts

All selected students must submit their final projects (presentations or posters) by **13<sup>th</sup> of April 2016**. Any project submitted after the due date will be rejected.

1. All presentations should be submitted by mail to:

[ybenchabane@uaeu.ac.ae](mailto:ybenchabane@uaeu.ac.ae) or [simmon.j@uaeu.ac.ae](mailto:simmon.j@uaeu.ac.ae)

2. Posters for men should be delivered in building H4, room 1032 or room 1031.
3. Posters for women should be delivered in building C5, room 2013.

## Registration

All participants and attendees are required to register using the conference website link [Register](#).

## Selection Procedures

Each college appoints its own internal committee to select the three best projects (oral presentation or posters) that represent their respective university/college on the conference day.
