23 April 2019 CIT Building - UAEU

برنامـج الذكـاديـمي للطـلبـة Student Academic Success Program

USRC 2019 Committee

Fatima Tayel Conference Chair, Director of SASP, University College

Elizabeth Whitehouse Conference Coordinator, SASP Writing Centers, University College

Lakmee Senadheera Conference Coordinator, SASP, University College

Asma Al Naqbi Conference Administrator, Learning Centers, SASP, University College Dear Guests,

The Student Academic Success Program (SASP), of University College, United Arab Emirates University (UAEU), warmly welcomes you to the fifth annual Undergraduate Student Research Conference (USRC). We trust you will be impressed and inspired by the outstanding range, quality and quantity of undergraduate student research activity showcased at this event.

For the students presenting today, we hope that this conference provides not only a worthy public platform for your academic achievements but also a valuable opportunity for you to network with fellow researchers in the UAE and share your research-related experiences and expertise in a dynamic and multi-disciplinary environment.

We would like to thank all UAEU students and staff, and those from other institutes in the UAE, who have contributed to today's event. We are also very grateful to the talented team of student helpers working with us, especially Sara Rafiq Al Fahel and Rouan Khalil Kara.

Sincerely,

USRC 2019 Committee

5th Annual Undergraduate Student Research Conference

Program Overview

- 8:30 Registration Opens | Ground Floor CIT
- 9:15 Poster Viewing & Networking
- 9:45 10:15 Opening Ceremony | CIT Auditorium
- 10:15 11:15 Session 1: Oral Presentations
- 11:30 12:30 Session 2: Oral Presentations
- 12:45 13:45 Session 3: Oral Presentations
- 13:45 14:15 **Poster Viewing & Networking**
- 14:15 15:15 Session 4: Oral Presentations
- 15:15 15:45 Poster Viewing & Networking
- 15:45 16:45 Session 5: Oral Presentations
 - 16:45 Conference Ends

Presentation Locations Oral Presentations | CIT Auditorium, E1-1027, E1-1028 & E1-2029

Poster Presentations | Ground Floor CIT: Main Hallway, Exhibition Hall (G023) & Study Hall (G033)

ePosters | Exhibition Hall (G023) & Study Hall (G033)

OP1

Innovative Design of Heat Exchangers using Airfoil Fins for Concentrated Solar Power Plants
Presenter(s): Hour Al Hefeiti, Haleima Al Metiri, Alanoud Al Kaabi, Aysha Alshamsi
Institute: UAEU
College: College of Engineering
Department: Mechanical Engineering
Project Supervisor: Fadi Al Naimat

OP2

Effects of Water Emulsion of Waste Cooking Oil Biodiesel on Diesel Engine Performance and Exhaust Emissions Presenter(s): Mariam Khaled Galal Ahmed Zaghloul, Aya Mansour, Moudi Ali Salem Alameri Institute: UAEU College: College of Engineering Department: Mechanical Engineering Project Supervisor: Mohamed Younes El-Saghir Selim

OP3

Reasons for Migration of Blue-Collar Workers in the Service Sector (Al Ain Case) Presenter(s): Shamma Mohammed Ali Al Balushi Institute: UAEU College: College of Humanities and Social Sciences Department: Sociology Project Supervisor: Tatiana Karabchuk

OP4

Observational Studies of the Evolution of GRB 100414A Afterglow: Clues on the GRB Environment and Underlying Astrophysical Processes Presenter(s): Afra Saleh Aldhahri Institute: UAEU College: College of Science Department: Physics Project Supervisor: Aquib Moin

OP5

Hydrogen Powered Unmanned Ground Vehicle Presenter(s): Rohit Kothari, Shahab Shafqat, Syed Hasan Mehdi Rizvi Institute: Emirates Aviation University College: College of Engineering Department: Aerospace Engineering Project Supervisor: Khurram Iqbal OP6 الأغة الإدارية والمتلقي Presenter(s): Mariem Hamoud Hreimou Institute: UAEU College: College of Humanities and Social Sciences Department: Arabic Language and Literature Project Supervisor: Emad Zapin

OP7

North-African Immigrants' Dialect in Arab Countries Presenter(s): Meriem Madi Institute: UAEU College: College of Humanities and Social Sciences Department: General Linguistics Project Supervisor: Marta Szreder

OP8

The Representation of Islamic Architecture in Sharjah Presenter(s): Sundos Alsheebani Institute: Zayed University College: College of Arts and Creative Enterprises Department: Interior Design Project Supervisor: Adina Hempel

OP9

3D Printed Polymer Microchannel Heat Exchangers

Presenter(s): Ahmed Omar Alkaabi, Ahmed Abdulqader Alataishi, Salem Abdulla Alshamsi, Saleh Eisa Alalawi
Institute: UAEU
College: College of Engineering
Department: Mechanical Engineering
Project Supervisor: Bobby Mathew

OP10

Studying the Effect of Nano Particles and Polymers for Minimizing Formation Damage in Water-Based Drilling Fluids
Presenter(s): Somaya Ahmad RahmatAllah, Abdullahi Aminu, Reggy Ridwan, Aaesha Matar Abdulla
Institute: American University of Ras Al Khaimah
College: School of Engineering
Department: Petroleum and Chemical Engineering
Project Supervisor: Saad Abdallah Balhasan

Construction of BiOF/BiOI nanocomposites with tunable band gaps as efficient visible-light photocatalysts Presenter(s): Ruba Fouad Abdullah Al Ajeil, Sundus Sallabi, Huda Abdulsalam Ahmed Bin Selem, Shadha Abdurabu Ahmed Alawadhi Institute: UAEU College: College of Science Department: Chemistry

Project Supervisor: Ahmed Alzamly

OP12

The Impact of Infrastructure Development on Economic Growth: Evidence from China Presenter(s): Veronika Radinovska Institute: New York University Abu Dhabi Department: Social Sciences Project Supervisor: Etienne Wasmer

OP13

Micro-Encapsulation of Camel Milk Derived Probiotic Strain (Lactobacillus Rhamnosus MF00960) in Novel Camel Gelatin and Camel Casein as Wall Material Presenter(s): Fatima Aldhaheri, Noura Almansouri, Maitha Alameri Institute: UAEU College: College of Food and Agriculture Department: Food Science Project Supervisor: Sajid Maqsood Maqsood Ahmed

OP14

Indoor Navigation System for the Visually Impaired

Presenter(s): Anoud Salem Janaan Alseiari, Yasmeen Qayed Ahmed Mohammed, Shamma Abdulla Mubarak Alghafri, Noura Salim Mohamed Fadil Saeed
Institute: UAEU
College: College of Information Technology
Department: Computer Engineering
Project Supervisor: Walid Ibrahim

OP15

Exploring the UAE College Students' Perceptual Learning Styles in Learning English as a Second Language Presenter(s): Hanan Kazim, Bara Ksiksi Institute: UAEU College: College of Education Department: Curriculum and Instruction Project Supervisor: Negmeldin Alsheikh

Grey Water Recycling Unit

Presenter(s): Rashed Matar Al Dhaheri, Ahmed Saeed Alblooshi, Yousef Ali Al Shamsi, Mohammed Habeeb Al Saqqaf, Zayed Abdullatif Alblooshi

Institute: HCT

College: Al Ain Mens College, Faculty of Engineering, Technology and Science

Department: Mechanical Engineering

Project Supervisor: Rihana Begum Ishaq

OP17

Seismic Performance Assessment of Tall Buildings in the UAE: A Pilot Study Presenter(s): Ahmed Hamed ElZaher, Aiman Hussein, Ahmed Bakhit Mohamed, Mazen Abd El-Razek Institute: UAEU College: College of Engineering Department: Civil and Environmental Engineering Project Supervisor: Aman Mwafy

OP18

Service Quality at Chili's Restaurant Presenter(s): Ayesha Abdulla Alameri Institute: HCT College: Business Administration Project Supervisor: Sathya Sivam

OP19

Videotaped Story Workshop Method: Stimulating University Students' Learning and Innovation Presenter(s): Hamda Yahya Mohamed Amin Ahmad Kazim Institute: UAEU College: College of Education Department: Curriculum and Instruction Project Supervisor: Ghadah Hassan Mohamed S. Al Abd Al Murshidi

OP20

Utilizing Virtual Reality in Assessing Socio-Cultural Sustainability in Emirati Public Housing Presenter(s): Menatullah Mostafa M. Omar, Mona Megahed, Hamda Saeed Mohammed Al Nuaimi, Shaikha Abdulla Khamis Abdulla Al Azizi Institute: UAEU College: College of Engineering Department: Architectural Engineering Project Supervisor: Khaled Galal Zaghloul

Manufacturing 3D Printed Prosthetic Hands

Presenter(s): Ali Awad Al Ahbabi, Ahmad Saeed Al Nuami, Hazza Saeed Al Meqbali, Mariam Abdulla Al Shamsi, Yaser Ibrahim Al Badi

Institute: HCT

College: College of Engineering

Department: Mechanical Engineering

Project Supervisor: Ahn, Soon-Chul

OP23

Autonomous Integrated Farming System

Presenter(s): Farouk Dalhatu, Ayesha Alnuiami, Nelson Egharevba, Umar Uba Abubakar, Jasem Salman

Institute: Canadian University Dubai

College: School of Engineering

Department: Engineering Department

Project Supervisor: Moayad Aloqaily

OP25

Polyethylene/Graphene/Carbon Fiber Waste Hybrid Nanocomposites Presenter(s): Saba Hittini, Sharouq Hamid, Mouza Albedwawi Institute: UAEU College: College of Engineering Department: Chemical and Petroleum Engineering Project Supervisor: Muhammad Iqbal

OP26

Development of a Simulation Model for Deep Drawing Process Presenter(s): Ammar Ahmed Alburaimi, Muneir Dawood Alsayyed, Ahmed Ismail Al Hatti, Amged Al Hassan Institute: UAEU College: College of Engineering Department: Mechanical Engineering Project Supervisor: Jaber Abu Qudeiri

OP27

An Investigation of the Impact of Internship Programs on Student Perceptions of Employability Presenter(s): Shama Musabah Alkaabi, Khazina Rashed Alshamisi, Alia Saeed Al Mansoori Institute: UAEU College: College of Business and Economics Department: Economics and Finance Project Supervisor: Emilie Rutledge

Thermal Performance of Solar Thermal Energy Storage

Presenter(s): Fatima Rashed Shaheen Eid Alnuaimi, Shaikha Rashid Khamis Obaid Al Naqbi, Moza
Mohammed Al Naqbi, Maria Abdalla Al Naqbi
Institute: UAEU
College: College of Engineering
Department: Mechanical Engineering
Project Supervisor: Fadi Al Naimat

OP29

Environmental Evaluation of Implementing the Deposit-Refund Scheme for Closed Loop Recycling of Water Bottles in the UAE Presenter(s): Shaza Hammoud Institute: American University of Ras Al Khaimah College: School of Engineering Department: Mechanical and Industrial Engineering

Project Supervisor: Wisam Abu Jadayil

OP30

Analysis Of The Physio-Chemical Profile Of The Soils In The Emirate Of Dubai

Presenter(s): Roudha Taha Yousuf Alhaj Nasser

Institute: Zayed University DXB

College: College of Natural and Health Sciences

Department: Life and Environmental Science

Project Supervisor: Sreepoorna Unni

OP31

Examining UAEU Student's Satisfaction and Perception of Inclusion

Presenter(s): Bushra Mohammed Alhemiri, Saleha Salme Saleh Alkarbi, Shihana Saeed Mohammed Alqahtani, Almaha Ali Ghanim Al Ali
Institute: UAEU
College: College of Education

Department: Special Education

Project Supervisor: Hala Elhoweris

OP32

Can Traditional Emirati Food be Part of the Medical Nutrition Therapy in Chronic Kidney Disease? Presenter(s): Mariam Husain AlHammadi Institute: Zayed University - Abu Dhabi College: College of Natural and Health Sciences Department: Health Sciences Project Supervisor: Malin Garemo

The Relationship between Inflation and Unemployment Rates in the USA in the Period 1965 -2000 Presenter(s): Nuru Majid Said Salim Institute: UAEU College: College of Business and Economics Department: Finance and Banking Project Supervisor: Mrittika Shamsuddin

OP34

The Effect of Gum Arabic on Blood Glycemia, Lipidemia, Body Composition and Gastrointestinal Tract in Adults at Risk of Metabolic Syndrome Presenter(s): Reem Fahad Al Bloushi, Ousha Rashed Alkhaili Institute: UAEU College: College of Food and Agriculture Department: Nutrition and Health Project Supervisor: Amjad Jarrar, Ayesha Al Dhaheri

OP35

Investigating Construction Quality Assurance in Buildings under Construction using an Infrared Thermal Imager Presenter(s): Noor Ahmad Suleiman, Rahma Mohamed Abdelghani, Yasmin Abdou, Boshra Alkhozheya Institute: UAEU College: College of Engineering Department: Architectural Engineering Project Supervisor: Rahma Hassan Hagi Adan

OP36

Assessment of Salt Intake among UAE Population using 24-hour Urine Analysis Presenter(s): Amira Yaslem Al Breiki, Alia Al Baloushi, Shaima Al Halabi Institute: UAEU College: College of Food and Agriculture Department: Nutrition and Health Project Supervisor: Amjad Jarrar

OP37

The Theory of Transitive Oppression Presenter(s): Muna Husam AlKhateeb Institute: Zayed University Abu Dhabi College: College of Humanities and Social Sciences Department: International Relations Project Supervisor: William Bianco OP38 Water Consumption at UAEU Presenter(s): Rauda alneyadi Institute: UAEU College: College of Humanities and Social Sciences Department: Geography and Urban Planning Project Supervisor: Mohamed Yagoub Mohamed

OP39

Influence of Mineralogical Composition and Texture of Carbonate Rocks on Durability Presenter(s):
Malaz Osman Ali, Haneen Edhar Abouhaligah, Moza A Baloch, Diab Bakri Abdelrahman Hag, Hamdan Abdo Ali Algaishi
Institute: UAEU
College: College of Science
Department: Geology
Project Supervisor: Hasan Arman, Saber Hussein

OP40

Students' Perspectives on the Use of Educational Technologies in the Classroom Presenter(s): Chaimae Abdouh Institute: American University in the Emirates College: College of Business Administration Department: Marketing Project Supervisor: Nikolina Ljepava

OP41

Smart Leg Assistant Brace (SLAB) Presenter(s): Thuyzan Saif Saeed Al Yousefi Institute: HCT College: Al Ain Mens College Department: Mechanical Engineering Project Supervisor: Younes Mohd Awad Al Younes

OP42

Older but Wiser? Age and Loss Aversion in Professional Tennis Presenter(s): Fajer Ahmed Almarzooqi Institute: Zayed University College: College of Business Department: Economics Project Supervisor: Kerim Arin

OP43 Unsafe Behaviour of Bicyclists in Al Ain, UAE: An Observational Study Presenter(s): Ahmed Younis Al Khateeri, Mohammed Ali Al Ahbabi, Mohammed Ali Alyafei, Saeed

Khaled Saeed Al Kaabi Institute: UAEU

College: College of Medicine and Health Sciences

Department: Institute of Public Health

Project Supervisor: Michal Grivna

OP44

Analysis and Design of a Single Phase Voltage-frequency Converter with an Optimized PI Controller

Presenter(s): Basil Mohamed Elfatih Hamad, Nasser Rashid Al Darmaki, Abdulrahman Mohamed Al Dosari, Mohamed Abdullah Al Hammadi

Institute: UAEU

College: College of Engineering

Department: Electrical Engineering

Project Supervisor: Hussain Shareef

OP45

Connecting Cultures: Examining Shared Themes between Emirati Folklore and African American Folklore Presenter(s): Muna Khamis Eisa Taj Addin Mohammed Institute: UAEU College: College of Humanities and Social Sciences Department: English Literature Project Supervisor: Phyllisa Smith Deroze

OP46

Land Use Attributes and Access to Public Transportation: The Case of Al Ain, UAE Presenter(s): Fatema Ali Al Zaabi, Hamda Khalid Al Mheiri, Meera Khalfan Al Dhaheri Institute: UAEU College: College of Engineering Department: Architectural Engineering Project Supervisor: Sahera Bleibleh

OP47

Roles of Narratives in Civic Crowdfunded Projects: Linguistic Style, Message Substance, and Crowdfunding Success Presenter(s): Nasreen Suleiman, Rajaa Karaouzene Institute: UAEU College: College of Business and Economics Department: MIS Project Supervisor: Chang Lee

The Effects of Sustainable Food Innovation on Consumers' Perceived Cost/Benefit, Risk and Uncertainty, and Attitudes Presenter(s): Mohammed J. Al Hamami, Mohamed A. Yousif, Nour El Din H. Elsayed Ali Gadou, Imad Eldin A. Yousif Institute: UAEU College: College of Food and Agriculture Department: Agribusiness Project Supervisor: Aydin Basarir

OP49

English-Based Lexical Calques in Arabic Journalistic Texts: Lexical and Cognitive Implications Presenter(s): Rauda Mohammed Aldhaheri, Farah Hosam Atef, Hafsa Alfalasi, Mariam Ghrair ElRomaithi Institute: UAEU College: College of Humanities and Social Sciences Department: Translation Studies Project Supervisor: Jamal Mohamed Giaber

OP50

Modulation of Glucose Metabolism by Date Seeds in Human Hepatic Cells (HepG2)

Presenter(s): Fatima Mohamed Mohieldin Abdelfattah, Khaula Salem Khamis Albadi, Mentalla Hussein Moustafa Adib
Institute: UAEU
College: College of Food and Agriculture
Department: Nutrition and Health
Project Supervisor: Carine Platat

OP51

Reshaping the Future: Economic and Social Impacts of Artificial Intelligence on UAE Society Presenter(s): Latifa Mohammed Khalfan Al Neyadi Institute: UAEU College: College of Humanities and Social Sciences Department: Sociology Project Supervisor: Paul O'Connor

OP52

Bacterial Community Structure and Physicochemical Properties of Saline Sandy Soil in Response to Long-term application of Compost and Biochar Presenter(s): Ayesha Ahmed Alblooshi

Institute: Zayed University DXB

College: College of Natural and Health Sciences

Department: Life and Environmental Sciences

Project Supervisor: Munawwar Ali Khan

Integrating Environmental Education in the School Curriculum at Primary and Secondary Level in the UAE Presenter(s): Mohammed Maali, Rua Maali, Amal Ahmed Institute: UAEU College: College of Humanities and Social Sciences Department: Geography and Urban Planning Project Supervisor: Naeema Al Hosani

OP54

The Influence of Evolutionary Psychology on Human Mating and Sexual Behaviour Presenter(s): Nida Mohammad Fayyaz Institute: UAEU College: College of Humanities and Social Sciences Department: Psychology and Human Counseling Project Supervisor: Mohammed Elhammoumi

OP55

A Comparative Study of Clustering Algorithms for Mixed Dataset Presenter(s): Maryam Alharmoodi, Hessa Hassan Institute: UAEU College: College of Information Technology Department: Information Security Project Supervisor: Saad Harous

OP56

Assessment of Food Risks Associated with Home-made Foods vended over Social Media in the UAE Presenter(s): Enan Nawafleh, Aseilah Alheftei, Maithah Albreiki, Mznah Salem Al Dhanhani, Maitha Mohammad Institute: UAEU College: College of Food and Agriculture Department: Nutrition and Health Project Supervisor: Nuha Mustafa, Ayesha Salem Obaid S.
